Mathematician with a PhD in Engineering Science

2020	PhD in Engineering Science *Computer Science Department*	KU Leuven *Belgium*
2015	MS in Mathematics *Grade: 110/110 with honors, Average 29.7/30*	University of Udine *Italy*
2020	BS in Mathematics *Grade: 110/110 with honors, Average: 28.6/30*	University of Udine *Italy*

Experience

2022–Present **Maths and Physics teacher in Scientific high-school** *Copernico-Pasoli* *(Verona)*
• Head of Mathematics and Physics Department • Coordinator of the STEAM Applied Sciences curriculum • Supervisor for the Mathematics Olympics • Robotics Course Mentor (FLL, FTC, STEM Racing) • Co-manager of the STEAM Laboratory (3D Printing, Laser Cutting, Microbit, Arduino) • Career and University Guidance Tutor • Graphing Calculator Trainer

2024–Present **Lecturer for high school teachers** *at University of Verona*
Conducting Mathematics Labs and Workshops

2026–Present **Editor of mathematical school books** *at Zanichelli*

2020–2022 Data Scientist and Business Analyst *at iBIC (Verona)*
• Created PowerBI dashboards to optimize production in the fashion sector
• Developed R-based predictive models for the insurance industry.

2015–2020 Researcher in Mathematical Engineer *at KU Leuven (Belgium)*
• PhD training courses in Science Communication; Machine Learning; Statistics.
• Teaching Assistant of the master courses "Optimization" and "Numerical Linear Algebra".
• 5 scientific publications in Computational Mathematics; Numerical Simulation and Analysis; Uncertainty Quantification (Statistics and Probability); Optimization and Control Theory. Google Scholar.

2011–2025 Elected member in several executive boards
Gruppo Volontari Ipogeo (2022-2025), Scuola Superiore Alumni Association (2019-2022), SIAM student chapter KU Leuven (2017-2020), Italian Network of Excellent Universities (2013-2014), Scuola Superiore (2013–2014), Mathematics & Computer Science Department (2011-2014), Academic Senate (2011-2012)

2007–2015 Summer jobs *Raft guide; River kayak trainer; waiter, and technician at events, conventions and exhibition.*

Informatics

Proficient	Scratch, Matlab, Power BI, LaTeX, Excel
Competent	R, SQL, Lightroom, Qlik, HTML

Languages

Italian	Native language
English	Excellent command *daily work usage, and several advances courses (C1 CEFR)*

Awards

Feb 2019	Datathon *Competition of Data Analysis; Best pitch and Second-best PhD team*
Oct 2016	Giulio Chiesi memorial price *Best master thesis with engineering applications*
June 2016	Best graduate student in Mathematics
2009-2010	Mathematical Olympiad *Team and individual national finals*

Grants

2009–2015	Scuola Superiore *Excellence education besides the university. Admitted students follow additional courses and are examined twice a year.*
2015	Erasmus at Norwegian University of Science and Technology *Norway*

Interests

Sports	Mountaineering and Cycling
Hobbies	Travel, Cooking, and Photography
